

BARBADOS BOY SCOUTS ASSOCIATION

E-MAIL MEMO

FROM: Chief Commissioner
TO: All Commissioners
SENT: Tue 11/11/2008 9:39 PM
SUBJECT: Training

As you are aware there is a special training session on the National Training Schedule entitled "Financial Management in the Association." This course is specifically designed to give the leader the correct information and procedures which follow the prudent financial management in the Scout Associations both locally and internationally.

Please dispatch this email to all groups within your District specifically requesting that **at least one (1) member** from each group be represented at the Course.

Please note that there has been a change in the date of the course. Confirmation has been given that the course will now take place on **Saturday 13 December, 2008** and NOT on the 6 December as was originally advertised at the **Lester Vaughan Secondary School**.

Participants are informed that for this course there is a Registration fee of \$10 and as no lunch will be served; all participants are encouraged to bring something to eat in the period of the break. This course is scheduled to run from 9:00 a.m. until 3:00 p.m.

It is further encouraged that Groups where ever possible sponsor their leader(s) who will be attending this course.

The names of all participants should be submitted to Headquarters by NOVEMBER 30, 2008.

Please treat as Urgent as I expect maximum participation from all Districts and Groups.

Executive members: I have copied you in this email because I am of the view that you can benefit from this course as well. If you are available and are desirous of being a part of the course, please contact the HQ or submit your name by email to me.

Thanks.

Chief Commissioner
